Summit: 1:00 p.m. • MBC Unity Awards Reception: 5:30 p.m.

MCLE: 2 Hours in Elimination of Bias in the Legal Profession

Over 20 years ago, The Bar Association of San Francisco (BASF) began to study diversity in the legal profession. As BASF prepares for the 2015 Goals & Timetables report, BASF's Equality Committee is bringing together thought leaders in the Bay Area to have an honest dialogue, go beyond the numbers and discuss how old approaches have impeded success in the advancement of diversity in the legal profession. The summit will include two panels and seven working group discussions; and the afternoon will conclude with the 2012 Minority Bar Coalition Unity Awards Reception.
