Since its inception in 1983, Best Lawyers has become universally regarded as the definitive guide to legal excellence in the United States. Because Best Lawyers is based on an exhaustive peer-review survey in which 18,000 leading attorneys throughout the country cast more than a half million votes on the legal abilities of other lawyers in their specialties, and because lawyers are not required or allowed to pay a fee to be listed, inclusion in Best Lawyers is considered a singular honor. Corporate Counsel magazine has call Best Lawyers "the most respected referral list of attorneys in practice."
